Eish! London is a non-fictional book that offers every reader genuine and downright honest insight into international travel; into trying to start afresh in a foreign country; the British substitute teaching system; and how an individual copes on her own with paying bills and living life, whilst trying to achieve her personal goals (before she hits her looming 30th birthday!). The story unfolds around a year of experiences, challenges and change. It shows that dreams are not static; they are your continual creations and sometimes they don't quite play out the way you expect them to... When I look back at the journey, I realise that we can all achieve so much more than we dream of...

“This book serves as a guide to the trials and tribulations one can expect when actually living in a new country. It's real, it's funny and it's honest.” - Juli

“A fusion between “Spud” and a “Fodor’s travel guide to substitute teaching in London”...” - Steve

“I’ll pay you to read the last chapters! I’m addicted!” - Bronwyn (commenting on the email editions)
