Each Tribune had a unique story that propelled them towards the revolutionary path. From humble peasants to influential intellectuals, their backgrounds were diverse. The Tribune's ranks included passionate writers, fierce orators, and fearless activists who risked everything to challenge the existing order.

Louis-Michel le Peletier

Louis-Michel le Peletier, one renowned Tribune, was a staunch advocate for radical change. His courageous efforts led to the abolishment of feudal privileges, an act that struck at the heart of the Ancien Régime. Pauline Léon

Another remarkable Tribune was Pauline Léon, a passionate feminist who fought for gender equality during the French Revolution. Léon founded the Society of Revolutionary Republican Women, urging women to participate actively in political affairs. Jean-Paul Marat's role in the French Revolution has long been a matter of controversy among historians. Often he is portrayed as a violent, sociopathic demagogue. This biography challenges that interpretation and argues that without Marat's contributions as an agitator, tactician, and strategist, the pivotal social transformation that the revolution accomplished would not have occurred.

Clifford D. Conner argues that what was unique about Marat - setting him apart from all other major figures of the revolution, including Danton and Robespierre - was his total identification with the struggle of the propertyless classes for social equality. Fresh ideas surrounding the Champs de Mars Massacre, his assassination, the cult of Marat and the Légende Noire are all explored.
