

The Untold Stories: Russian People Revolutionary Recollections by Ashis Sengupta

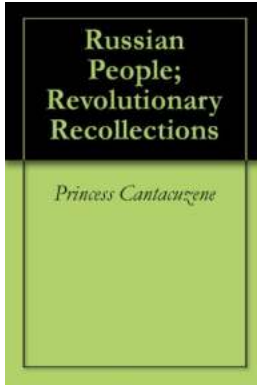

In the realm of historical revolutions and uprisings, the Russian Revolution of 1917 stands tall as a defining moment in human history. Led by a multitude of passionate individuals dedicated to the cause of change, this revolution reshaped the destiny of an entire nation. Among the shadows of these historic events, one man ventured on a journey to capture the essence of the Russian people and their recollections of the revolution: Ashis Sengupta.

Unveiling Ashis Sengupta's Revolutionary Recollections

Ashis Sengupta, an acclaimed author and historian, embarked on a remarkable expedition through Russia to document the untold stories of the ordinary people who lived through the revolution. In his groundbreaking book, "Revolutionary

Recollections: Chronicles of Russian People," Sengupta paints a vivid picture of the struggle, sacrifice, and resilience of the Russian populace during this historic period.

"Witness the Untold Stories of Russian People's Heroic Revolution - Ashis Sengupta"

The Russian Revolution: A Turning Point in History

The Russian Revolution of 1917 marked the end of Tsarist rule and the birth of a new era in Russia. The monarchy was overthrown, and a provisional government

led by Alexander Kerensky took its place. However, this transitional period was plagued with social unrest, economic instability, and political power struggles that eventually paved the way for the rise of the Bolsheviks, led by Vladimir Lenin.

This volume was published in 1919.

From the book's Preface:

Encouraged by the kindly reception given to my first book, Revolutionary Days, I venture herein, with the kind permission of the Saturday Evening Post, which first published them, to present to the public some further tales of the varied and amazing currents of our Russian developments.

The facts are offered as I observed them, or learned of them at first hand, and I have tried to be truthful and unprejudiced. Otherwise these pages claim no merit, but only the indulgence

of a public which has shown me such sympathy and understanding, and to whom I owe sincere gratitude.

Julia Cantacuzene Speransky

(nee Grant)

New York, January 1920

.....

Contents:

- IV. The Crimea's Effort Denikin's Army
- V. The Ukrainian Movement
- VI. The New Russian View
- VII. Kolchak
- VIII. Siberian Impressions
- IX. Daughters of Russia

.....

A few excerpts:

When I first saw Bouromka village I was filled with pity, in spite of the charming scenery and its picturesque traditions. Even in the fields, in 1899, the people seemed entirely helpless to dominate Nature, or to draw her riches from her. They were armed with the most primitive wooden ploughs, and with other instruments which looked biblical in epoch, and which were really not fit tools for use in the greatest agricultural district of the world.

.....

It was Easter Eve, 1916. All the village of Bouromka was assembled in the church or in the latter's garden on the hilltop. The people listened to the chanted service, then bowed in prayer low to the ground, following their ancient rites with a respect and devotion which war had renewed and strengthened. The three great doorways were left wide open, as were all the windows, admitting the fragrance of damp earth, fresh leaves, and spring blossoms, to rival that of the incense.

.....

The first time we heard of Bolshevism by name was at the beginning of May or to be exact, April 20, old style 1917, when an uprising of this ultraradical group in Petrograd threatened to overthrow the first provisional government and to establish anarchy in the Russian capital.

.....

The germ of Bolshevism, like much else which has hurt the world of late, came straight from Germany to us; and by the following facts this seems absolutely proved. When in July Lenine's headquarters were raided, German gold was found there in large sums; also during various uprisings of anarchistic tendency German gold was found both in the hands and pockets of those who were creating these disorders.

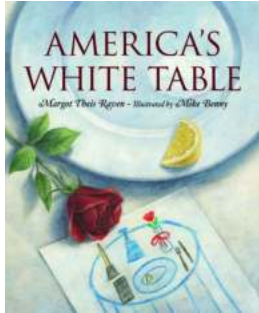

.....

For thousands of square miles Russia is in a condition of complete devastation, with enforced stagnation of work, famine, and misery, just as is the small area of northern France. A crushed exhausted, starving, bleeding people at home is straining its last remnant of strength to rise up and to live. Kolchak is pulling his compatriots to

their feet, and they try to stand, dazed and tottering...Will the world listen to their cry, and will it hold out a helping hand? Or will it turn its head and pass by on the other side?
