There's one thing I know about life:

You grab it by the throat and go full throttle.

Thrown away with the garbage on the day I was born, and doing what I had to do just to survive--

That's who I am.

I'm the filth your mother warned you about.

Then she walks into my life.

Nothing I expected and everything I could want.

Our worlds don't mix.

I'm only going to drag her down.

I should have never touched her...

Life can tear you into shreds, make you bend until you break.

Sometimes, you have to face death, so you can live.
