Part 1: The Birth of a Secret Alliance

Stanton Street, a seemingly ordinary neighborhood, became the epicenter of a clandestine effort to thwart the Axis powers during WWII. It all started when a group of close-knit friends, bound by their love for their country and determination to protect it, came together. They honed their skills in secrecy, practicing marksmanship, learning espionage techniques, and adopting codenames. Thus, the Stanton Street Musketeer Allies were born.

Part 2: Spies Amongst Us

As the war escalated, so did the tasks entrusted to the Musketeer Allies. Disguised as ordinary citizens, they moved through enemy territory, gathering valuable intelligence, sabotaging plans, and providing aid to resistance groups. Their ability to blend seamlessly into the crowd allowed them to operate undetected - shadows fighting for a brighter future. The tales of their derring-do and narrow escapes became the stuff of legends, whispered in hushed tones among the resistance.

Since cracking the book a few short months ago, Bart and his friends now know two things with absolute certainty: 1) it has been the most incredible adventure ever, and 2) it's been completely out of control. But when the Medieval travel brochure says "Sleep Under a Tuscan Moon" means hiding from a 5,000-man army under shrubs and debris, or "Develop Your Equestrian Skills" means you're now a wanted horse thief, or worse yet, "Enjoy a Rousing Campfire While Taking in the Stunning Italian Countryside" means trying to outrun a raging wildfire, it may be time to have a little heart-to-heart with your travel agent. Unfortunately, Bart's travel agent is a tattered old Dumas novel with a mind of its own.

Join these 21st Century teenagers and His Majesty's Musketeers in Allies, Spies, and Sacrifice, as they try to stay alive long enough to unravel the plot behind the Pope's military ambitions in Italy — a scheme so audacious it could very well upset the precarious balance of power in Western Europe, forever.
