Here's a taste of what you can expect from *Beastly Rhymes To Read After Dark*:

The Vampiric Waltz

As the moonlight shimmers through the night,
A haunting tune sets the ambiance just right.
Gloved hands entwined in an immortal embrace,
The undead dance their waltz in elegant grace.

Blood-red lips whisper promises of love,
While eyes of crimson glare from the shadows above.
Beware, dear mortal, should you dare to stay,
For these creatures of night will lead you astray.

The Werewolf's Lament

Beneath the pale moon's watchful eye,
The transformation begins with a mournful cry.
Fangs elongate, claws extend,
Humanity fades as the beastly form ascends.

Through the darkest woods it prowls,
Devouring prey with growls that howl.
Its hunger insatiable, its strength untamed,
Beware the night, when the werewolf is named.

The Witch's Spell

A cauldron boils, an eerie mist takes form,
A witch's cackle rides on the storm.
With each chant, the spell grows stronger,
An incantation to last forever longer.

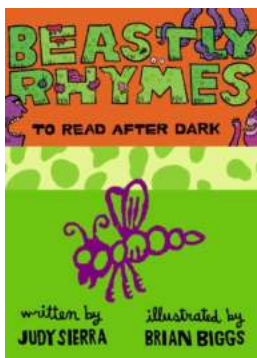

Potion of age or curse of doom,
The witch's power knows no room for gloom.
Beware her wrath, ye foolishly brave,
For in this realm, no one is truly safe.

DANGER! WARNING! KIDS beware! Bound in the bilious green-spotted fur (100% fake) of an unidentified weird beast, here is a book that kids will love—quite literally—from cover to cover. In the macabre spirit of the Halloween season, funny rhymes range from “Parasite Lost” to “Leap Halloween,” and are illustrated with gruesome graphics. Elementary school kids will want to be the first to own this outrageous fur-clad book, but librarians may prefer the standard library bound edition, minus the fur!
