Embark on an extraordinary quest through the stars as reporter Zelia Lor uncovers a sinister plot. Joining forces with her newfound allies, Talen and Mekki, they must unravel the mysteries of the Nurglings, small but highly dangerous creatures spreading chaos wherever they go.

## **The Long-Awaited Encounter**

Plague Of The Nurglings brings together beloved characters from the Warhammer Adventures series, uniting them against the Chaos forces plaguing the Warped Galaxies. As the battle between light and darkness reaches its climax, readers are drawn into a thrilling life-and-death struggle that explores themes of friendship, bravery, and sacrifice.

The author, Cavan Scott, skillfully crafts a narrative that seamlessly blends familiar elements of the Warhammer universe with a fresh perspective designed

for younger readers. The action-packed plot, rich character development, and immersive world-building make *Plague Of The Nurglings* a captivating read for both fans of the franchise and newcomers alike.

Accompanied by vivid illustrations from talented artists, the story comes to life with each turn of the page. The visually stunning artwork perfectly complements the gripping narrative, ensuring readers' complete immersion into the Warhammer Adventures universe.

## Building Young Heroes

Warhammer Adventures: Plague Of The Nurglings isn't just an entertaining read - it also serves as a valuable tool for teaching important life lessons. As readers journey through the pages, they witness the growth and development of the main characters, offering valuable insights into the power of friendship, determination, and resilience in the face of adversity.

The Warhammer Adventures series, of which Plague Of The Nurglings is a part, aims to introduce younger readers to the rich and expansive universe of Warhammer in a way that is both accessible and engaging. By tapping into their imaginations and providing heroes to cheer for, the series encourages young readers to explore their own potential and learn important values along the way.

## The Ultimate Cosmic Showdown

Plague Of The Nurglings sets the stage for a cataclysmic battle between good and evil. As the Warped Galaxies hang in the balance, young readers are taken

on an unforgettable journey filled with suspense, action, and moments of triumph.

This thrilling and beautifully illustrated addition to the Warhammer Adventures series introduces a new generation to the boundless possibilities of the Warhammer universe. With its dynamic storytelling and vivid visuals, Warhammer Adventures: Plague Of The Nurglings is sure to captivate readers and leave them eagerly anticipating the next installment of the series.

Prepare to join the cosmic battle of heroes and villains in a universe where anything is possible!

### Warped Galaxies Book 5

On a forge world of the Adeptus Mechanicus, Zelia Lor and her friends are thrown into the midst of a terrible plague that threatens man and machine alike!

## READ IT BECAUSE

See the Adeptus Mechanicus and the daemonic servants of Chaos from a new perspective in the latest Warhammer 40,000 tale for younger readers.

## THE STORY

Zelia, Talen and Mekki arrive at Aparitus, a planet of huge industrial machines and the cybernetic race called the Mechanicus. Now under the protection of the mysterious Inquisitor Jeremias, they still search for a way to reach Zelia's mother, but all is not what it seems on the forge world. A strange plague begins to spread, infecting technology and unleashing a host of gribbly monsters – the Nurglings!
