Unveiling Breakthrough Innovations: 15th International Conference ICISS 2019

Are you ready to witness the pinnacle of technological advancements in cybersecurity? Prepare yourselves, because the 15th International Conference on Information Systems Security (ICISS) is just around the corner! Taking place from December 16th to 20th, 2019 in the vibrant city of Hyderabad, India, this

conference will bring together the brightest minds, industry leaders, and visionaries to discuss the latest developments and shape the future of cybersecurity.

Why Attend ICISS 2019?

The 15th International Conference on Information Systems Security is not just your average cybersecurity event. It is a platform designed to foster collaboration, encourage innovation, and drive the industry forward. Here are some compelling reasons why attending ICISS 2019 should be on every cybersecurity enthusiast's agenda:

Information Systems Security: 15th International Conference, ICISS 2019, Hyderabad, India, December 16–20, 2019, Proceedings (Lecture Notes in Computer Science Book 11952)

by Charles Baudelaire (1st ed. 2019 Edition, Kindle Edition)

- **Invaluable Networking Opportunities:** Rub shoulders with leading experts, academicians, and professionals from around the world. Build relationships, exchange ideas, and forge partnerships that can catapult your career to new heights.

- **Cutting-Edge Research Insights:** Be at the forefront of the latest research trends in information systems security. Renowned researchers and scholars will present their groundbreaking work, shedding light on key challenges and potential solutions.

- **Industry Sessions:** Gain invaluable insights from prominent industry players during the dedicated industry sessions. Discover emerging technologies, current best practices, and hear success stories from cybersecurity leaders.

- **Conversations that Matter:** Participate in thought-provoking panel discussions, Q&A sessions, and workshops, covering a wide array of topics. Deep dive into issues such as cloud security, AI-powered cybersecurity, blockchain technologies, and much more.

- **Hands-on Workshops and Training:** Sharpen your skills and enhance your knowledge through various hands-on workshops and training sessions. Learn from experts, acquire practical tools, and stay ahead of the curve in this rapidly evolving field.

- **Cultural Exchange:** Immerse yourself in the rich cultural heritage of Hyderabad, a city known for its historic landmarks, delectable cuisine, and warm hospitality. Make new friends, explore local attractions, and create lasting memories.

- **Publication Opportunities:** Present your own research findings, contribute to the academic community, and gain recognition by having your work showcased in conference proceedings and affiliated journals.

Conference Highlights:

ICISS 2019 will encompass an exciting array of activities tailored to enrich attendees' experience:

1. Keynote speeches by renowned experts in the field of information systems security.

2. Technical paper presentations by distinguished academicians and researchers.

3. Poster sessions offering an opportunity to interact with the authors and learn more about their research.

4. Interactive panel discussions on pressing issues in cybersecurity.

5. Industry expert talks and success stories from leading organizations.

6. Workshops and training sessions providing practical knowledge and insights.

7. Networking events, social gatherings, and cultural outings.

Call for Papers:

ICISS 2019 invites researchers and practitioners to submit papers across various tracks including, but not limited to:

- Cyber Threat Intelligence

- Cloud Security and Privacy

- Machine Learning for Security

- Blockchain Security and Privacy

- Internet of Things (IoT) Security

- Cyber-Physical Systems Security

- Big Data Analytics for Security

- Secure Software Development

Paper submissions can be either full research papers or short papers detailing ongoing work, case studies, or tool prototypes.
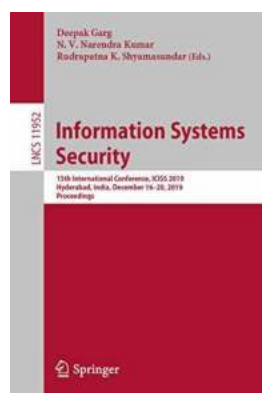

Registration Details:

To register for ICISS 2019, please visit the official conference website http://www.iciss2019.com. Early bird registration ends on November 30th, 2019, so make sure to secure your spot before it's too late!

:

The 15th International Conference on Information Systems Security in Hyderabad, India, promises to be an unmatched gathering of cybersecurity enthusiasts, researchers, and experts. By attending ICISS 2019, you'll be opening doors to unparalleled opportunities, widening your horizons, and affiliating with the industry's finest. Embrace this unique chance to be a part of building a safer digital world together - we'll see you there!
