The popular Japanese amigurumi style of adorable crochet animals is captured in this thorough how-to that features eight whimsical critters. Instructions on crocheting a bear, bunny, cat, dog, elephant, giraffe, hippo, and monkey delve into how to assemble the animals, and notes and tips on the crochet techniques used are included. These fun, intermediate-level projects are created with worsted-weight yarn and stuffed with fiberfill. The book details how to add finishing touches, such as 12- or 15-millimeter safety eyes, and the finished dolls range in size from 12 to 18 inches tall.
