A selection of dark, dystopian short stories from up and coming writers from The Priory School, Hitchin, UK.

One minute you'll be trapped in a future tunnel built to punish wrongdoers, the next being led astray by mischievous monsters under the bed. You'll learn the Latin word for 'Lost Soul' and come to fear the killer who turns children into jumpers.

Contained in these tales are all manner of shadowy baddies and a huge number of deaths; thankfully there are also heroes both young and old who seek to take the fight back to the powers of darkness, but there are no promises of happy endings.

Nothing is off-limits in this awesome chill-fest.

Written as part of a World Book Day project 2020.
