Architectural Gems Along the Way

One of the greatest aspects of motorcycling through Europe is the opportunity to witness some of the most impressive architectural wonders. From medieval castles to grand cathedrals, your journey will be adorned with magnificent structures that tell stories of the past.

Make a stop in Prague, Czech Republic, and marvel at the gothic masterpiece that is the Prague Castle. Situated on a hill overlooking the city, this architectural gem is a sight to behold. Ride through the stunning city of Barcelona, Spain, and gaze upon Antoni Gaudi's remarkable Sagrada Familia, an iconic symbol of modernist architecture.

A Gastronomical Adventure

As you traverse the winding roads of Europe, you will also have the opportunity to indulge in a gastronomical adventure like no other. Each region along the way offers its own unique culinary delights, and you will have the opportunity to savor traditional dishes that reflect the rich cultural heritage of the area.

Visit the charming villages of Provence, France, and indulge in their exquisite cuisine, brimming with flavors of fresh herbs, olives, and local produce. Taste the delectable pasta dishes of Italy, such as homemade spaghetti alle vongole or a mouthwatering bowl of carbonara. And don't forget to treat yourself to a beer and bratwurst in Germany!

Experiencing a Sense of Freedom

Motorcycling through Europe is not just about the destinations; it is also about the freedom and sense of adventure that comes with riding on two wheels. The open road becomes your playground, allowing you to discover hidden gems and go off the beaten path.

Feel the wind in your hair as you cruise along the mesmerizing coastlines of the French Riviera or navigate the hairpin turns of the Stelvio Pass in the Italian Alps. The thrill of the ride combined with the stunning surroundings creates a unique experience that will stay with you forever.

Safety First

Before embarking on your European motorcycle adventure, it is crucial to prioritize safety. Ensure you have the right gear, including a helmet, protective clothing, and sturdy footwear. Familiarize yourself with local traffic laws and ride defensively at all times. It is also essential to have comprehensive travel insurance that covers motorcycle accidents and emergencies.

Embarking on a motorcycling journey through Europe is an experience like no other. From breathtaking landscapes and architectural wonders to gastronomical delights and a sense of freedom, each moment will add up to memories that will last a lifetime. So, gear up, plan your trip, and get ready to hit the road for an unforgettable adventure through the heart of Europe!

Motorcycle travel provides a unique and challenging mode of exploration. Roads are for Journeys – Motorcycling through Europe takes you on a three-month journey through 17 Countries beginning and ending in Boulder, Colorado. Join Kayla and Charlie on their European adventure through their colorful knack for story telling accompanied with over 150 photos. This book is the first in a series created to share the couple’s travels and moto adventures. Charlie Weisel has been writing a column for Cycle Source magazine and Thunder Press for the past few years and is excited to be able to share his stories on his own platform. He has ridden his fully rigid long chopper through 18 countries, all of the lower 48 states, as well as road a Royal Enfield through India. He has muscled through nine 1000-miles under 24 hours rides earning his “Iron Butt”. His love for two

wheels started in his cycling days and has been his sanity through the years. Kayla had ridden alongside him on these endeavors with her Dyna through 18 countries, soon to knock off all 48, as well as ridden the most dangerous road in the world in India on a Himalayan. Her custom hardtail chopper was just recently finished and she is itching to get that girl on the road. Although this is the 4th book she has released it is the first book where she partakes predominantly as a writer of short stories. Kayla is an illustrator, artist and custom painter by trade, so this book gave her the opportunity to share her tales with the written word. Much of their time is spent traveling on motorcycles, but you can find them heading into the mountains with backpacks and exploring the world by foot. Thank you for joining the adventure and look forward to seeing you on the road!
