The Genesis of Quilt Block Lace Edging Insertion Filet Crochet

Quilt block lace edging insertion filet crochet is a technique that originated in the late 19th century and gained popularity during the Victorian era. It combines the traditional quilting patterns with the delicate art of lace making using filet crochet. Filet crochet involves creating openwork designs by using solid and empty spaces to form intricate patterns. The combination of quilt block designs and filet crochet creates a unique and visually striking look that has stood the test of time.

The Allure of Quilt Block Lace Edging

There is something truly captivating about quilt block lace edging. Its vintage charm and timeless elegance make it a perfect addition to any heirloom, whether it be a tablecloth, curtains, or even clothing. The intricate patterns and delicate stitches showcase the crochet artist's skill and attention to detail. Additionally, quilt block lace edging can be customized to match any color scheme or style, making it a versatile choice for various projects.

This design is very attractive and versatile. In fine thread, the lace and insertion will be a very pretty trim for skirts, slips or other similar garments, and a yoke is

easily arranged to match. Heavier thread makes a handsome stripe, with lace border, for a bedspread. A scarf or or table runner may have the lace and insertion across the ends, or there may be a width of insertion running lengthwise, with lace at each end, or two lengths of insertion with a strip of hemstitched linen between and the border of lace. Originally designed by Jennie Stenfort in 1927.

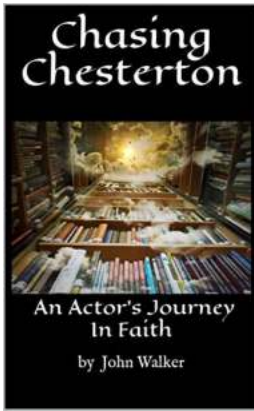

This is not your usual scanned vintage crochet pattern! To make this pattern great for today's crocheter, I wrote complete instructions and made an easy to follow chart. I changed the and expanded the written instructions so that they'll be easy to understand, and they now use modern US crochet terms. I added a chart for more advanced crocheters. You'll also have estimated yardage requirements for the thread you choose and measurements for the finished piece of lace.

The only stitches you need to know to complete this lace are: chain stitch, single crochet, double crochet, and slip stitch.
