Learning a new language can be an exciting and fulfilling experience. It opens up a world of opportunities and allows us to connect with people from different cultures. If you are interested in learning Vietnamese, then you have come to the right place. In this article, we will introduce you to the first 100 words in Vietnamese, along with colorful pictures and the Vietnamese alphabet.

Before we dive into the list of words, let's take a look at the Vietnamese alphabet. The Vietnamese language uses a modified version of the Latin alphabet, with additional diacritical marks to indicate tones. This makes it phonetic and relatively easy to learn for English speakers.

Now, let's get started with the first 100 words in Vietnamese:
