Yet I knew even then that this whole Melbourne to London thing was over the top. It was quite outrageous. Utterly preposterous. But I was a gonertotally, hopelessly bitten.

Having an adventure is easy. Step 1drive down ones street. Step 2keep driving. Step 3stop at London!

Welcome to Our World is about a comfortably settled David Gairns and his

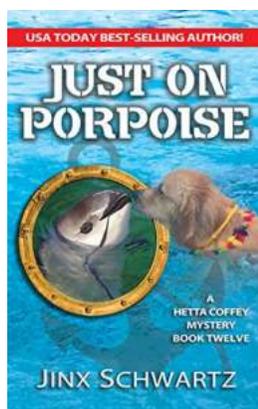

teenage son Will on one extraordinary drive from Melbourne, Australia to London, England through Asia in 2010. The spark that started it, their hopes, their dreams, their doubts and stresses are all here. It tells of Wills girlfriend Lauren who just kept on popping up and of father and son bonding or not bonding at all, as so happens. It is about a real journey and a life journey, of acting the fool and finding a life. Of the highs and the lows and of the joy of being alive, of so many generous strangers who helped along the way.

They hope you enjoy the drive, the experience, the journey and the adventures they encountered everywhere.
