Most D.A.B. hold it down with the expectation of a ring, true love, or some fairy tale happily ever after with a nigga that's already in a committed relationship with the streets with extra baggage in the form of a wife and a few other chicks on the side expecting the same thing. Knowing at a very early age that I wasn't exactly 9 to 5 material and with an extra mouth to feed, I couldn't settle for a life of poverty and mediocrity so I had to get to a bag somehow. Using a hustlers mentality, loyal, beauty, brains, and just being a D.A.B. the foundation was laid for a path to places even I didn't predict. Despite the risks, setbacks, misfortune, and heartache i still triumphed.

Some women are used to the press and others are just simply PRESSED. I'm the author of my story so I'll always control the narrative, from a dope man bitch to a scam artist I'm used to being the talk and the tea and i can assure you the only thing fraudulent was the cards I've swiped. Quite an interesting story to tell and very entertaining so gather your cup while I spill this tea.
