

Who Killed The Homeless Man? Manhattan Mysteries

Welcome to the dark alleys of Manhattan, where mysteries lurk around every corner. In this bustling city that never sleeps, a recent shocking crime has left the community in shock and authorities scrambling for answers. A homeless man, unknown and forgotten, was brutally murdered on a cold winter night, raising questions about the safety and wellbeing of those living on the streets.

This is not just another crime story. It's a story that shines a light on the struggles and injustices faced by the homeless community, often ignored by society. While

the city sparkles with luxury apartments and high-end fashion stores, the underlying issue of homelessness remains hidden in plain sight.

Death Is Disposable: Who Killed the Homeless Man? (Manhattan Mysteries Book 1)

The victim, whose identity is yet to be confirmed, was found lifeless just a few blocks away from Times Square. Passersby, accustomed to the harsh realities of urban life, walked past his abandoned body without a second glance. But the relentless detective duo of Detective Smith and Detective Johnson refused to let this case fade into the background.

"We won't rest until we find justice for the forgotten ones. Every life matters, regardless of their socioeconomic status,"

The two detectives, known for their meticulous and relentless pursuit of truth, have embarked on a mission to uncover the secrets that led to this homeless man's demise. Their investigation has revealed a web of interconnected stories, stretching across various corners of Manhattan, involving the city's powerful elite, corrupt politicians, and a shadowy criminal underworld.

With each step of the investigation, more layers are peeled back, revealing the stark contrast between the glitz and glamour of Manhattan's affluent neighborhoods and the harsh realities faced by those who are left behind. As the detectives delve deeper into the dark underbelly of the city, they encounter a network of individuals with vested interests in maintaining the status quo.

The team uncovers a hidden world of secret societies, where the powerful and influential cater to their own dark desires while disregarding the plight of the less fortunate. From illegal gambling dens to underground fights, the detectives follow a trail of breadcrumbs that brings them closer to identifying the person responsible for this heinous crime.

Not only does this case highlight the injustice faced by the homeless, but it also questions the system that allowed this tragedy to occur. The city's lack of resources and aid for those in need has created a breeding ground for crime and desperation, leaving vulnerable individuals exposed to violence and exploitation.

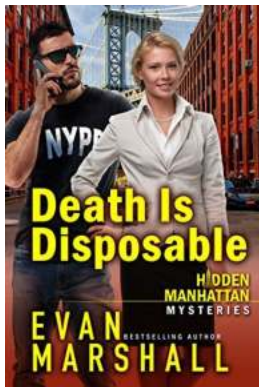

The homeless population in Manhattan may be invisible to most, but they are not forgotten. Their stories matter, and their lives deserve justice. Through the arduous and dangerous journey undertaken by Detective Smith and Detective Johnson, the true face of homelessness is brought into focus for the public to acknowledge and address.

This engrossing mystery serves as a reminder that we are all connected, regardless of our social standing. It calls on society to take a closer look at the issues plaguing our cities and work towards finding sustainable solutions for the most vulnerable among us.

"We won't stop fighting for justice, and we won't stop until every last voice is heard,"

The investigation into the murder of the homeless man continues, and it remains to be seen whether Detective Smith and Detective Johnson will succeed in unraveling the truth behind the crime. As the shadows of Manhattan grow darker, the need for justice becomes more urgent than ever.

So, as the city that never sleeps tosses and turns in its slumber, let us remember the forgotten ones, the homeless souls who walk the streets with no voice. Let us strive to uncover the truth and bring justice to those who were silenced. Together, we can ensure that no more lives are lost in the shadows of our cities.

"Shows a nice eye for city life."—Kirkus Reviews

*** 3 stars “Clever and original, Death is Disposable has a unique protagonist - Anna Winthrop, heiress and Sanitation Supervisor, for Manhattan’s District 13. Marshall's plot is believable and his voice is definitely that of New York. Believe me - I live here!”—Leslie, Goodreads

The murder of a homeless man uncovers clues to his secret life...and to a murderer who won't hesitate to kill again....

BONUS: This edition contains an excerpt from EVIL JUSTICE by Evan Marshall.

ANNA'S HOMELESS FRIEND

As New York Sanitation department garage supervisor, Anna Winthrop thought she'd seen it all, until a homeless man she'd befriended is found murdered behind her apartment building. And Anna's taking this personally. The man had asked for her help, but was killed before he could tell her why. So now she wants answers. She immediately delves into the man's life, following the trail of slim clues left behind, and makes a shocking discovery about his past, only leading to more questions...

NO ONE CAN KNOW

Anna pieces together a puzzle encompassing upscale art galleries, homes for the homeless and abandoned subway tunnels, she begins to see the complexity of her friend's life. But when she finds the motive for the murder it shocks her deeply and puts her in great danger. As she uncovers the truth of what her friend uncovered, she has to escape his fate before it is too late...
