Here's why you should consider the Year Autumn Term CGP KS1 Maths program:

- **Comprehensive Curriculum:** The program covers all the key topics and concepts that children need to grasp in Key Stage 1 maths. From numbers and counting to addition, subtraction, shapes, and measurements, the curriculum ensures comprehensive coverage of the subject.
- **Interactive Activities:** The program includes a variety of interactive activities that help children learn maths through play and exploration. These activities

encourage active participation and make learning engaging and enjoyable.

- **Colourful Illustrations:** The curriculum is supported by vibrant and visually appealing illustrations that capture children's attention and make learning more stimulating. The use of colours and visuals aids in understanding and retention of mathematical concepts.
- **Engaging Exercises:** The program offers a wide range of exercises that are designed to reinforce learning and assess children's understanding of the topics covered. These exercises are carefully crafted to be age-appropriate and help children apply their knowledge in a practical context.
- **Clear Explanations:** The Year Autumn Term CGP KS1 Maths program provides clear and concise explanations of mathematical concepts, making it easier for children to grasp new ideas. The step-by-step approach helps children build a strong foundation in maths.

## **How Does the Year Autumn Term CGP KS1 Maths Program Work?**

The Year Autumn Term CGP KS1 Maths program is designed to be user-friendly and flexible, allowing children to progress at their own pace. The program consists of a range of resources, including textbooks, workbooks, and online materials, to cater to different learning styles and preferences.

Here's a breakdown of how the program works:

1. **Textbooks:** The program provides comprehensive textbooks that cover all the topics and concepts of Key Stage 1 maths. These textbooks offer clear explanations, examples, and practice questions to reinforce learning.
2. **Workbooks:** The program includes workbooks that offer additional practice opportunities for children. These workbooks contain a variety of exercises

and activities that help children apply their knowledge and develop problem-solving skills.

3. **Online Resources:** The program provides access to a range of online resources, including interactive games, quizzes, and downloadable resources. These online materials add an extra dimension to the learning experience and cater to children's individual learning preferences.

## **Get Started with the Year Autumn Term CGP KS1 Maths Program Today!**

There's no better way to improve Maths skills than with daily practise. This superb workbook for the Year 2 Autumn Term is full of colourful characters and engaging activities - with a page of Maths practice for every school day of the term. It's perfect for use at home or in class! For each day, there's a short explanation and example of what to do, followed by a selection of questions to answer. New topics are introduced gradually, then revisited throughout the book to help children commit them to memory! Score boxes at the end of each page make it easy to track to progress. For complete coverage of Year 2, take a look at our books for the Spring Term (9781789085082) and Summer Term (9781789085099).
