A Trust-Me Travel Guide to Montenegro, the small Balkan country with a sparkling coastline and a mountainous green heart.

Whether you're looking for inspiration, or you've already planned your trip, this travel guide is the friend you've been looking for. Resort holiday, city break, backpacker trip? It doesn't matter what kind of Montenegro holiday you're going on – trust me, I've got your next adventure sorted.

I'm more about quirky trips and one-of-a-kind adventures than plain old destinations. I like to weave word pictures and write inspiring features, rather than just list museums, hotels and restaurants. This isn't a guidebook to the whole of Montenegro, far from it. It's not a guidebook at all, in the traditional sense.

Instead, I've used my 30+ years of travel-writing expertise to describe some selected trips and experiences. I take you along the coast, out on the lake and up into the mountains, and try to give you a real sense of what it's like to visit some amazing places. I hope you'll be inspired by the writing and trust me when I say that these trips, tours and walks are all easy to do on your own.

Everything in this guide is based on my own travels, and there are step-by-step instructions for catching the bus or train, dealing with local taxi drivers and finding a reliable place to eat. I tell it like it is and work on the basis that you don't need lots of choice – just the right choice – so my opinions and reviews are honest and

(I hope) helpful.

The Trust-Me guide may be small, but it's perfectly formed – I only include the things you need, and none of the stuff you don't.

There's enough in the guide for more than a week's worth of great travel experiences. Take me along on your phone, reader or tablet, and let's have an adventure together. After all, what have you got to lose? It's only the price of a single cup of coffee!
